

# Regulation Events

**The first annual event to be held at The Roxburghe Hotel, Edinburgh  
28 & 29 October 2008**

## Event 1

**Tuesday  
28 October 2008**

This Scottish based event will focus on the Implementation in Scotland of the UK White Paper Trust, Assurance and Safety – The Regulation of Health Professionals in the 21st Century.

This event is aimed at all healthcare professionals; doctors, dentists, nurses, midwives, allied health professionals, pharmacists, opticians, chiropractors, osteopaths and other professional groups currently awaiting statutory regulation.

**Presentations to include talks from:**

the Chief Nursing and Chief Medical Officers at the Scottish Government Health Directorates, as well as representatives from the General Medical Council, Health Professions Council, Council for Healthcare Regulatory Excellence and NHS and non NHS employers.

## Event 2

**Wednesday  
29 October 2008**

Aimed at a UK wide audience, this event will focus on the pilot for the Regulation of Healthcare Support Workers, led by Scotland on behalf of the UK.

This event is aimed at all Healthcare support staff including: porters, domestics, healthcare assistants, catering staff, laboratory workers and others, as well as their employers and relevant policy makers.

The day will provide a background to the pilot, the implementation of the pilot within the NHS Boards and the independent sector, and findings to date from the independent evaluation study.

A highly interactive day, with group and panel discussions with an opportunity to vote on a future policy decision for consideration by Scottish Ministers.

**Presentations to include talks from:**

Chief Nursing Officer for Scotland, Chair of the 4-country steering group and representatives from NHS Quality Improvement Scotland and the Scottish Centre for Social Research, Scottish Government policy leads and others involved in the pilot.
